PFMA & GOVERNANCE COMPLIANCE

100% PFMA Compliant — No Tender Required

The Referral Partnership is structured as a commission-based arrangement — not a procurement transaction. This means no tender process is required, making it fully compliant with the Public Finance Management Act (PFMA). Schools receive monthly statements and can export

WHY CONNECT+FUNDA VS OTHER OPTIONS?

Education-First Design

Built specifically for learners – not repurposed consumer plans. Every feature supports learning outcomes.

Mission Aligned

We share your school's mission: better learner outcomes, digital equity, and family support.

Zero-Rated Learning Apps

Matific, Readability, Mystery Science, and FundaGuide AI don't use data – parents save money.

Passive Revenue

Unlike fundraising drives, this earns automatically every month with no ongoing effort from staff.

FREQUENTLY ASKED QUESTIONS

Does this require SGB approval?

No. This is a commission-based arrangement, not a procurement transaction. No SGB resolution or tender process is required.

What if parents complain about service quality?

Connect+Funda handles all customer support directly. The school is simply a referral partner – no support burden on staff.

Can the school exit if it's not working?

Yes, anytime. There are no lock-in periods or penalties. The partnership continues only as long as it works for your school.

What support does Connect+Funda provide?

Full co-branded marketing materials, a dedicated partner portal, monthly commission statements, and a dedicated schools partnership contact.
